other fees as per attached booking form

visitors site information

❖ access

Highfield 1 Certificated Location - access gate about 40 metres on left from main gate. The edge of the lane on the right is well gravelled, and the gate is set at an angle to assist the turn in.

From the main gate, the access gate to **Highfield 2** is about 300 metres up the drive past the house - stop and ring the doorbell when you arrive before you park.

❖ parking

Highfield 1 Certificated Location – gravel pitches for caravan or motorhome parking set in mown grass. Position your van carefully ▶all wheels on gravel – motor-movers work well here! ▶site it facing any way round you like ▶we prefer awnings over the gravel if possible. Hardstanding space provided just opposite your pitch for parking your car.

Highfield 2 all grass pitches are suitable for caravan parking. Site your van any way round on your pitch, and park your car on hardstanding at the house. Levelling blocks are available on request. Gravel hardstanding suitable for motorhome parking is available with electric hook-up and TV booster cable. No extra charge for small car towed by motorhome.

Groundsheets where used **must be breathable**
non-breathable strictly not allowed!

❖ driving

There is a 5mph speed limit on our property. Please drive very carefully on grass - tickover speed only, especially during wet weather. We're happy to help if you have any difficulty siting your caravan, but **please don't damage the grass!**

❖ refuse

Please place all your refuse in bags before disposal into our bins. We have a separate waste paper bin; there's a glass disposal bin in the village opposite the shop, and recycling points at supermarkets in Oban.

❖ water and waste water

Each pitch on Highfield 1 Certificated Location has an individual water point.

Please ensure all water taps and hoses are properly switched off after use – our water is metered!

The chemical waste disposal point - **CCEP** - is situated behind the wooden screen in the corner of the garden to the right of the house. It's a flushing system with separate hosepipe for rinsing. If you like, pop your container in your car, drive up and park beside the house. NB **do not flush nappies** or sanitary items!

Grey water can be safely disposed of under trees on both Highfield 1 and 2

also available - *please ask at the house*
coin operated hot shower - £1.00 coin
washing machine available - £4.00 per wash

❖ **TV reception – Freeview enabled area**
Highfield 1 Certificated Location has an individual TV aerial lead provided free on each pitch. Please roll these up on the reels provided when you leave. If you find the lead isn't working, please report it at once.

Highfield 2 has moderate TV reception, but we can provide an aerial free of charge* if required.
(*any damage will be charged for!)

❖ **pets**
We welcome well behaved pets at Highfield and there's no extra charge!

Dogs must be kept on leads at all times on any part of the croft property. Use of a screw in tethering point is permitted.

Woodland adjacent to Highfield 1 and paddock adjacent to Highfield 2 are both suitable for dog exercising, and it's only 400 metres from the main gate to Tralee Beach, so perfect for a short stroll.

Don't let your pet annoy or interfere with anyone else, and please attend immediately to cleaning up after him (or her!)

NB your pets must not be left unattended on any part of the site at any time during your stay.

❖ **arrival and departure**
Where possible, please aim to **arrive after 3pm** on the date of your arrival and **to vacate by 11am** on the day of your departure. This gives us time to mow the grass and tidy up for the next visitors. It may be possible to find you a parking space if you need to arrive or depart at other times – please ask!

Where possible, **please provide a mobile tel. contact number** – we've found this really helps us keep in touch with your booking! You can call or send a text to **our vodafone number 07766 303136**

❖ **miscellaneous**
Calor LPG Propane and Butane gas cylinders are available for sale on site on a bottle exchange basis.

In the interests and safety of other site visitors, **no ball games** allowed on either of our sites; and in consideration of other site users, please keep

television and music volume to a minimum after 10pm.

Please observe **the Countryside Code** during your stay at Highfield.

Please **report any damage** or breakages at once.

❖ **caravan rallies at Highfield**
full details of our caravan rally field from our website www.caravanrally.co.uk

how to book

Advance booking advised, especially for the most popular holiday periods.

check the availability of your chosen dates

- email directly from our website www.clsite.co.uk
- call, text, fax or write - contact details below

We'll need - your contact details; Club membership number; arrival date; departure date; number of nights required; and your preferred pitch location - Highfield 1 Certificated Location / Highfield 2 / hardstanding when you contact us.

We'll hold your details for an agreed number of days pending arrival of your **reservation form and deposit** - normally the price of one night per week or part week booked.

Print off a copy of the reservation form on the first page and fill it up with your details.
If possible **please include a mobile tel. number.**

Post the form with your deposit to us and provide your email details, or enclose an S.A.E., for us to send out a **confirmation and receipt** to you.

Payment in full is due on arrival.

Sorry, we are unable to accept credit or debit cards.

Deposits for pitches at Highfield are accepted on a first come, first served basis, so book early to secure your chosen dates!
